## General Information

|                          |                                     |
|--------------------------|-------------------------------------|
| SKU                      | 246305                              |
| EAN                      | 8719514940833                       |
| Manufacturer Code        | 94083399                            |
| Brand                    | Philips                             |
| Manufacturer Name        | RS156B LED6-WB-/827 D68 PSR PI6 ALU |
| Any Lamp all-in warranty | 5 Years                             |
| Average Lifetime (h)     | 50000                               |

## Technical Information

|                             |                       |
|-----------------------------|-----------------------|
| Technology                  | LED Integrated        |
| Wattage                     | 7.2W                  |
| Voltage (V)                 | 220-240               |
| Dimmable                    | Dimmable              |
| Colour Code                 | 827 Extra Warm White  |
| Colour temperature (Kelvin) | 2700 Extra Warm White |
| Colour Rendering (Ra)       | 80-89                 |
| Colour of Light             | White                 |
| Light colour options        | Single Color          |
| Luminous Flux (Lumen)       | 720lm                 |
| Lumen per watt              | 100                   |

|                       |               |
|-----------------------|---------------|
| Beam Angle (degree)   | 36            |
| Product Type Category | LED spotlight |

## Fixture Information

|                          |                               |
|--------------------------|-------------------------------|
| EOC8                     | 94083399                      |
| Including bulb           | Yes                           |
| Amount of bulbs required | 1                             |
| Mounting Method          | Recessed                      |
| Cut out (mm)             | 68                            |
| Optical Cover            | PC (Polycarbonate)            |
| IP-Rating                | IP54/IP20                     |
| Impact Protection (IK)   | IK03 - 0.35 joule             |
| Operating Temperature    | 0 to +35                      |
| Housing                  | Aluminium                     |
| Colour of material       | Aluminium                     |
| Colour of the Fixture    | Grey                          |
| Power factor             | >0.90                         |
| Tiltable                 | Yes                           |
| Fixture Connection       | PI [Push-in connector 2-pole] |
| Series                   | RS156B                        |

## Dimensions

|                                                                                                                                                                                                                                                                   |           |
